Join their ranks today by earning the APICS CSCP designation.

APICS CSCP Program Benefits

- The APICS CSCP certification encompasses the entire supply chain.
- The APICS CSCP sets the standard for certification. It is administered in
- 67 countries and preferred by leading companies worldwide.
- Employers and recruiters seek APICS CSCP designees.
- The APICS CSCP increases your professional value and secures your future.

By earning the APICS CSCP designation, you will demonstrate significant commitment to your profession and your career, distinguish yourself as an industry expert, and excel with your newly acquired specialized knowledge.

“The APICS CSCP program is very useful in designing, introducing, and implementing cost – reduction programs. By looking beyond just the costs related to procurement and reviewing all real costs within the total supply chain, I’ve gained tremendous insights that often resulted in impressive opportunities to reduce various costs in the entire supply chain.”
